BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected. **The County may deem non-responsive any bids that contain any mathematical errors.**

Award of the Contract, if awarded, will be made within seventy-five (75) calendar days from the date specified for the opening of bids.

BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected. **The County may deem non-responsive any bids that contain any mathematical errors.**

Award of the Contract, if awarded, will be made within seventy-five (75) calendar days from the date specified for the opening of bids.

- (d) Profit-making firms or businesses in which the former employees described in subsection (c) serve as officers, principals, partners, or major shareholders.

With the affixing of a signature to your response to this solicitation, officer certifies that the above provisions of the Code have been complied with, and that any exception will cause any ensuing contract to be invalid.

BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected. **The County may deem non-responsive any bids that contain any mathematical errors.**

Award of the Contract, if awarded, will be made within seventy-five (75) calendar days from the date specified for the opening of bids.

- (d) Profit-making firms or businesses in which the former employees described in subsection (c) serve as officers, principals, partners, or major shareholders.

BID COMPARISON AND AWARD

If this Proposal shall be accepted and the undersigned shall fail to contract as aforesaid and to give in sums as stated in the Notice to Contractors Inviting Bids, both a faithful Performance Bond, and a Payment Bond as required by Chapter 5 (commencing at Section 3225) and Chapter 7 (commencing at Section 3247), Title 15, Part 4, Division 3, of the California Civil Code, with surety satisfactory to the Owner within the time specified in Section 3-1.03 of the Standard Specifications after the undersigned has received notice of the award of the Contract from the Owner and that the Contract is ready for signature, the Owner may, at its option, determine that the bidder has abandoned the Contract, and thereupon this Proposal and the acceptance thereof shall be null and void, and the forfeiture of the security accompanying this Proposal shall operate and the same shall be the property of the Owner.

Bids are required for the entire work. The amount of the bid for comparison purposes will be the Total Bid.

The bidder shall set forth for each item of work, in clearly legible figures, a unit price and a total for the item in the respective spaces provided for this purpose. In the case of unit basis items, the amount set forth under the "Total" column shall be the extension of the unit price bid on the basis of the estimated quantity for the item.

The quantities listed in the Proposal are approximate only. Payment for work done will be made at the contract unit prices bid as applied to the quantities actually constructed or installed.

Award of the Contract, if awarded, will be to the lowest responsible bidder, for the Total Bid, subject to the Owner's right to reject any or all bids and to waive any informality or irregularity in the bids or bidding. Bids in which the prices are obviously unbalanced may be rejected. **The County may deem non-responsive any bids that contain any mathematical errors.**

Award of the Contract, if awarded, will be made within seventy-five (75) calendar days from the date specified for the opening of bids.

DESIGNATION OF SUBCONTRACTORS

Set forth below is the full name and the location of the place of business of each Subcontractor whom the Bidder proposes to subcontract portions of the work in excess of one-half of one percent of the total bid, or, in the case of construction of streets or highways, including bridges, in excess of one-half of one percent of the total bid or \$10,000, whichever is greater, and the portion of the work which will be done by each Subcontractor for each subcontract.

The Bidder's attention is directed to the provision titled "Subcontracting" of the Special Provisions contained in these Contract Documents.

NOTE: The Bidder understands that if the Bidder fails to specify a Subcontractor for any portion of the work to be performed under the contract in excess of one-half of one percent of the bid, or, in the case of construction of streets or highways, including bridges, in excess of one-half of one percent of the bid or \$10,000, whichever is greater, the Bidder shall be deemed to have agreed to perform such portion, and that the Bidder shall not be permitted to sublet or subcontract that portion of the work except in cases of public emergency or necessity, and then only after a finding, reduced to writing as a public record of the Awarding Authority, setting forth the facts constituting the emergency or necessity in accordance with the provision of the Subletting and Subcontracting Fair Practices Act (Section 4100 et seq. of the California Public Contract Code).

Unless changed in the Special Provisions, at least 50 percent of the original contract price shall be performed by the Contractor's own organization.

The "Business Name and Address", the "Portion of Work to be Contracted" and the "License No." that will be done by each subcontractor are required at the time of bid submittal. An inadvertent error in listing the California contractor license number must be corrected **by the prime contractor within 24 hours after bid opening** by email to the Procurement Contracting Officer listed as contact for this RFB, provided the corrected contractor's license number corresponds to the submitted name and location for that subcontractor, or else the bid may be determined non-responsive.
