## **ADDENDUM No. 1**

### **RFB 7392 – JOB ORDER CONTRACT 223 – PAINTING CONTRACTOR**

#### **QUESTIONS AND ANSWERS:**

- Q:** Has the county had similar job contracts in the last 3 years and how much was awarded?  
**A:** *No, The County of San Diego has not contracted for JOC Painting in the last three years.*
- Q:** Is there funding for all these JOC projects you are bidding out?  
**A:** *JOC Contracts are awarded in anticipation of a Major Maintenance funding covered in the annual budget before the Board of Supervisors, to have ready capacity for potential project requests.*
- Q:** In past experiences, JOC's with a \$0 minimal purchase order have hit contractors with high bond premium costs that are not reimbursed. If there is no guarantee that work will be done can the District at least consider allowing 1/10 or 1/5 of maximum dollar value? If the limits need to increase there is no loss to a contractor to request a rider increase. With this it's a win win situation for the Contractor and Owner.  
**A:** *Bid and provide required bonding as specified in the RFB.*
